EDUCATION

Bachelor of Science in Information Technology -
Technical University Of Mombasa

ALX Data Analytics Course
Alx Africa

Nov 2023 - Sept 2024

Certificate in Data Science
Pwaniteknowgalz

Sept -Dec 2023

SKILLS

- Excel
- SQL
- Power BI
- Python
- Jupyter Notebook
- Google Colab
- Python Libraries

AWARDS

ALX Data Analytics Graduate

Certificate of Completion
Earned from Completing the Data Science Introductory Course at Pwaniteknowgalz

SUMMARY

I've Done several projects that can be found on my Github Repositories (https://github.com/Reckie02?tab=repositories). My favorite was analyzing a movies Dataset (https://github.com/Reckie02/Movies-Project) to, help a Company that was looking to start producing movies to decide which movies to produce

WORK HISTORY

Project 3

Maji Ndogo   2023 - 2024

Cleaning,Analyzing and visualizing a Dataset For the small region of Maji ndogo to help Determine the cause of Drought and Scarcity of water in the Region and to help in finding and implementing a long lasting solution to the water Crisis.

Project 2   2024 Present

Cars Dataset

Cleaning, Analyzing, visualizing and Modeling a cars Dataset to Determine the number, make and Time of cars passing on a certain road

Project 1   December 2023

Movies Dataset

Cleaned, Analyzed, visualized and Modeled a movies dataset for a Production Company that was looking to start Producing Movies and wanted to see how different movie Genres were already Doing in the Market.
